

## **REPORT WEBMASTER 2020-2021**

The Covid situation drastically reduced the use of the website by the chapters.

There was a short lived problem with the Vancouver Chapter, but that has hopefully been resolved.

The Journal Volume 40, Issues 1 and 2 (2020) and the regular Newsletters were placed on the web site.

The LINKS need updating. I will work on that! How useful are they?
